Have you received a Saranam scholarship in the last 12 months?

Saranam's intention of offering scholarships is to express, make accessible, and embody the wisdom and compassion of the Buddha. Fees are kept as low as possible. These fees are, however, a major source of operating income for Saranam Retreat Center. We try to offer scholarship assistance to those who are genuinely unable to afford the listed price. Your support of donations toward the Linda Stark Scholarship fund in the future, in order to make this accessible to others, will be greatly appreciated.
